HAMPTON HIGH SCHOOL

## FOREWORD

*Upon the termination of our high school careers, we are left with only memories—memories that will be with us throughout the days of our lives. In presenting the fifteenth edition of The Krabba, we are endeavoring to help keep these cherished memories close to our hearts.*

HAMPTON HIGH SCHOOL  
VIRGINIA - CLASS "A" STATE CHAMPIONS  
1936

## DEDICATION

We, The Krabba Staff, dedicate the nineteen hundred and thirty-seven edition of The Krabba to the coaching staff and the Virginia Class "A" State Football Champions of Hampton High School, in return for the honor, glory and true sportsmanship which they have reflected upon our school and our community.

## History of the Class of 1937

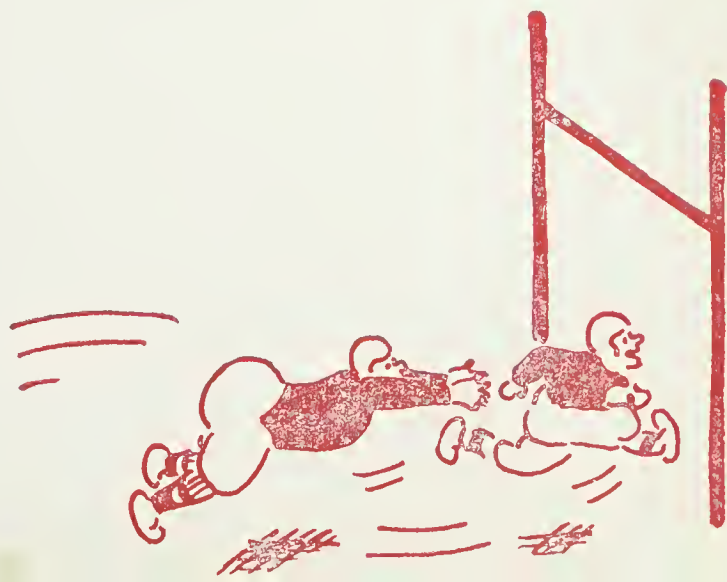

Do you remember September 1933 when we entered high school as Freshmen? It hardly seems that four years have intervened since that time, and that we are now on the threshold of graduation. Our high school life extended over that period of time will be a treasured memory in years to come, one in which we have mingled both our joys and sorrows.

Flipping back the pages of our school calendar to our Freshmen year, we come across those unforgettable days when we received our first schedules, signed up in our first classes, and witnessed our first assemblies and pep rallies. Perhaps the exact dates are blurred in our memories, still we recall well the election of our class officers who were Bill Wyatt, president; Jane Winne, vice-president; Louise Masters, secretary; and Jeanette Cooper, treasurer. Nor can we forget those football and basketball games, the plays, the May Day exercises, those first exams, and those first credits of which we were very proud. That was our Freshmen year—the foundation for better things to come.

So with the “march of time” we come to the beginning of our next school year when we were Sophomores. At first we possessed a feeling of superiority and wisdom but it was soon crushed as we began to tackle such subjects as Caesar, Commercial Arithmetic, and Biology.

Although no outstanding events took place during this year, it was at this time that we began to realize that we were a part of the school, not in its enrollment alone, but in its functions as well. Nelson Groome, president; John Robins, vice-president; and Louise Masters, secretary-treasurer, were our class leaders. In June of that year we took our last examinations, as they were discontinued in the school the following term.

With the turning of the pages of this historic calendar we entered upon quite an exciting year—the time when we were Juniors. Our class roll was increased then with new students from Phoebus and other schools. It was during the first part of this year that student activities tickets and a new grading system, in which numbers replaced letters, were instituted in the school. Many of us

# THE KRABBA

entered into the school activities with equal success in dramatics, athletics, and scholastic organizations.

If you remember, our class was not officially organized until the spring of '36 when we chose for our officers, N. K. Lee, president; Kathleen Sheehan, vice-president; and Eleanor Rosser, secretary-treasurer. As usual we had the pleasure of entertaining the Seniors with the annual prom which was made possible by funds received from class dues, food sales, and sponsoring a motion picture.

As the Junior girls took part in the commencement exercises last year, and as our class president received the cap and gown from the president of the class of '36, we assumed the responsibilities of Seniors.

However, it was not until fall, that we began to undertake these duties. Our class officers for the year were: Jeanette Cooper, president; Sallie Berkeley Drummond, vice-president; Mary Gibson, secretary; and Florence Moore, treasurer. Since we were Seniors, naturally the members of our class were leaders in the school activities.

So as our fingers glide over the events on this last page of our scholastic memoir, visions of those wonderful football victories, "My Man Godfrey," the movie sponsored by the Senior class, the Phenix singers, and the cheering squad are clearly presented before us. Alas, we stop at a red letter date—Thursday, November 26, 1936. It is not Thanksgiving which makes this day outstanding for us, but the one on which our boys defeated Danville, thereby winning the Virginia State Scholastic Class "A" football championship. Following this, time was spent on plays, Christmas programs, mid-term grades, basketball, and other activities.

With the arrival of our rings, the order for the invitations, the pictures taken for the annual, and the election of class celebrities, graduation seemed to appear closer on the horizon. The word "graduation," which had always brought joy and expectation to our hearts, now became sad at the thought of departure. So as we place aside this record of events, we know our memories will always bring us back to those glorious days that the class of '37 spent within the walls of our dear Alma Mater.

## Class Poem

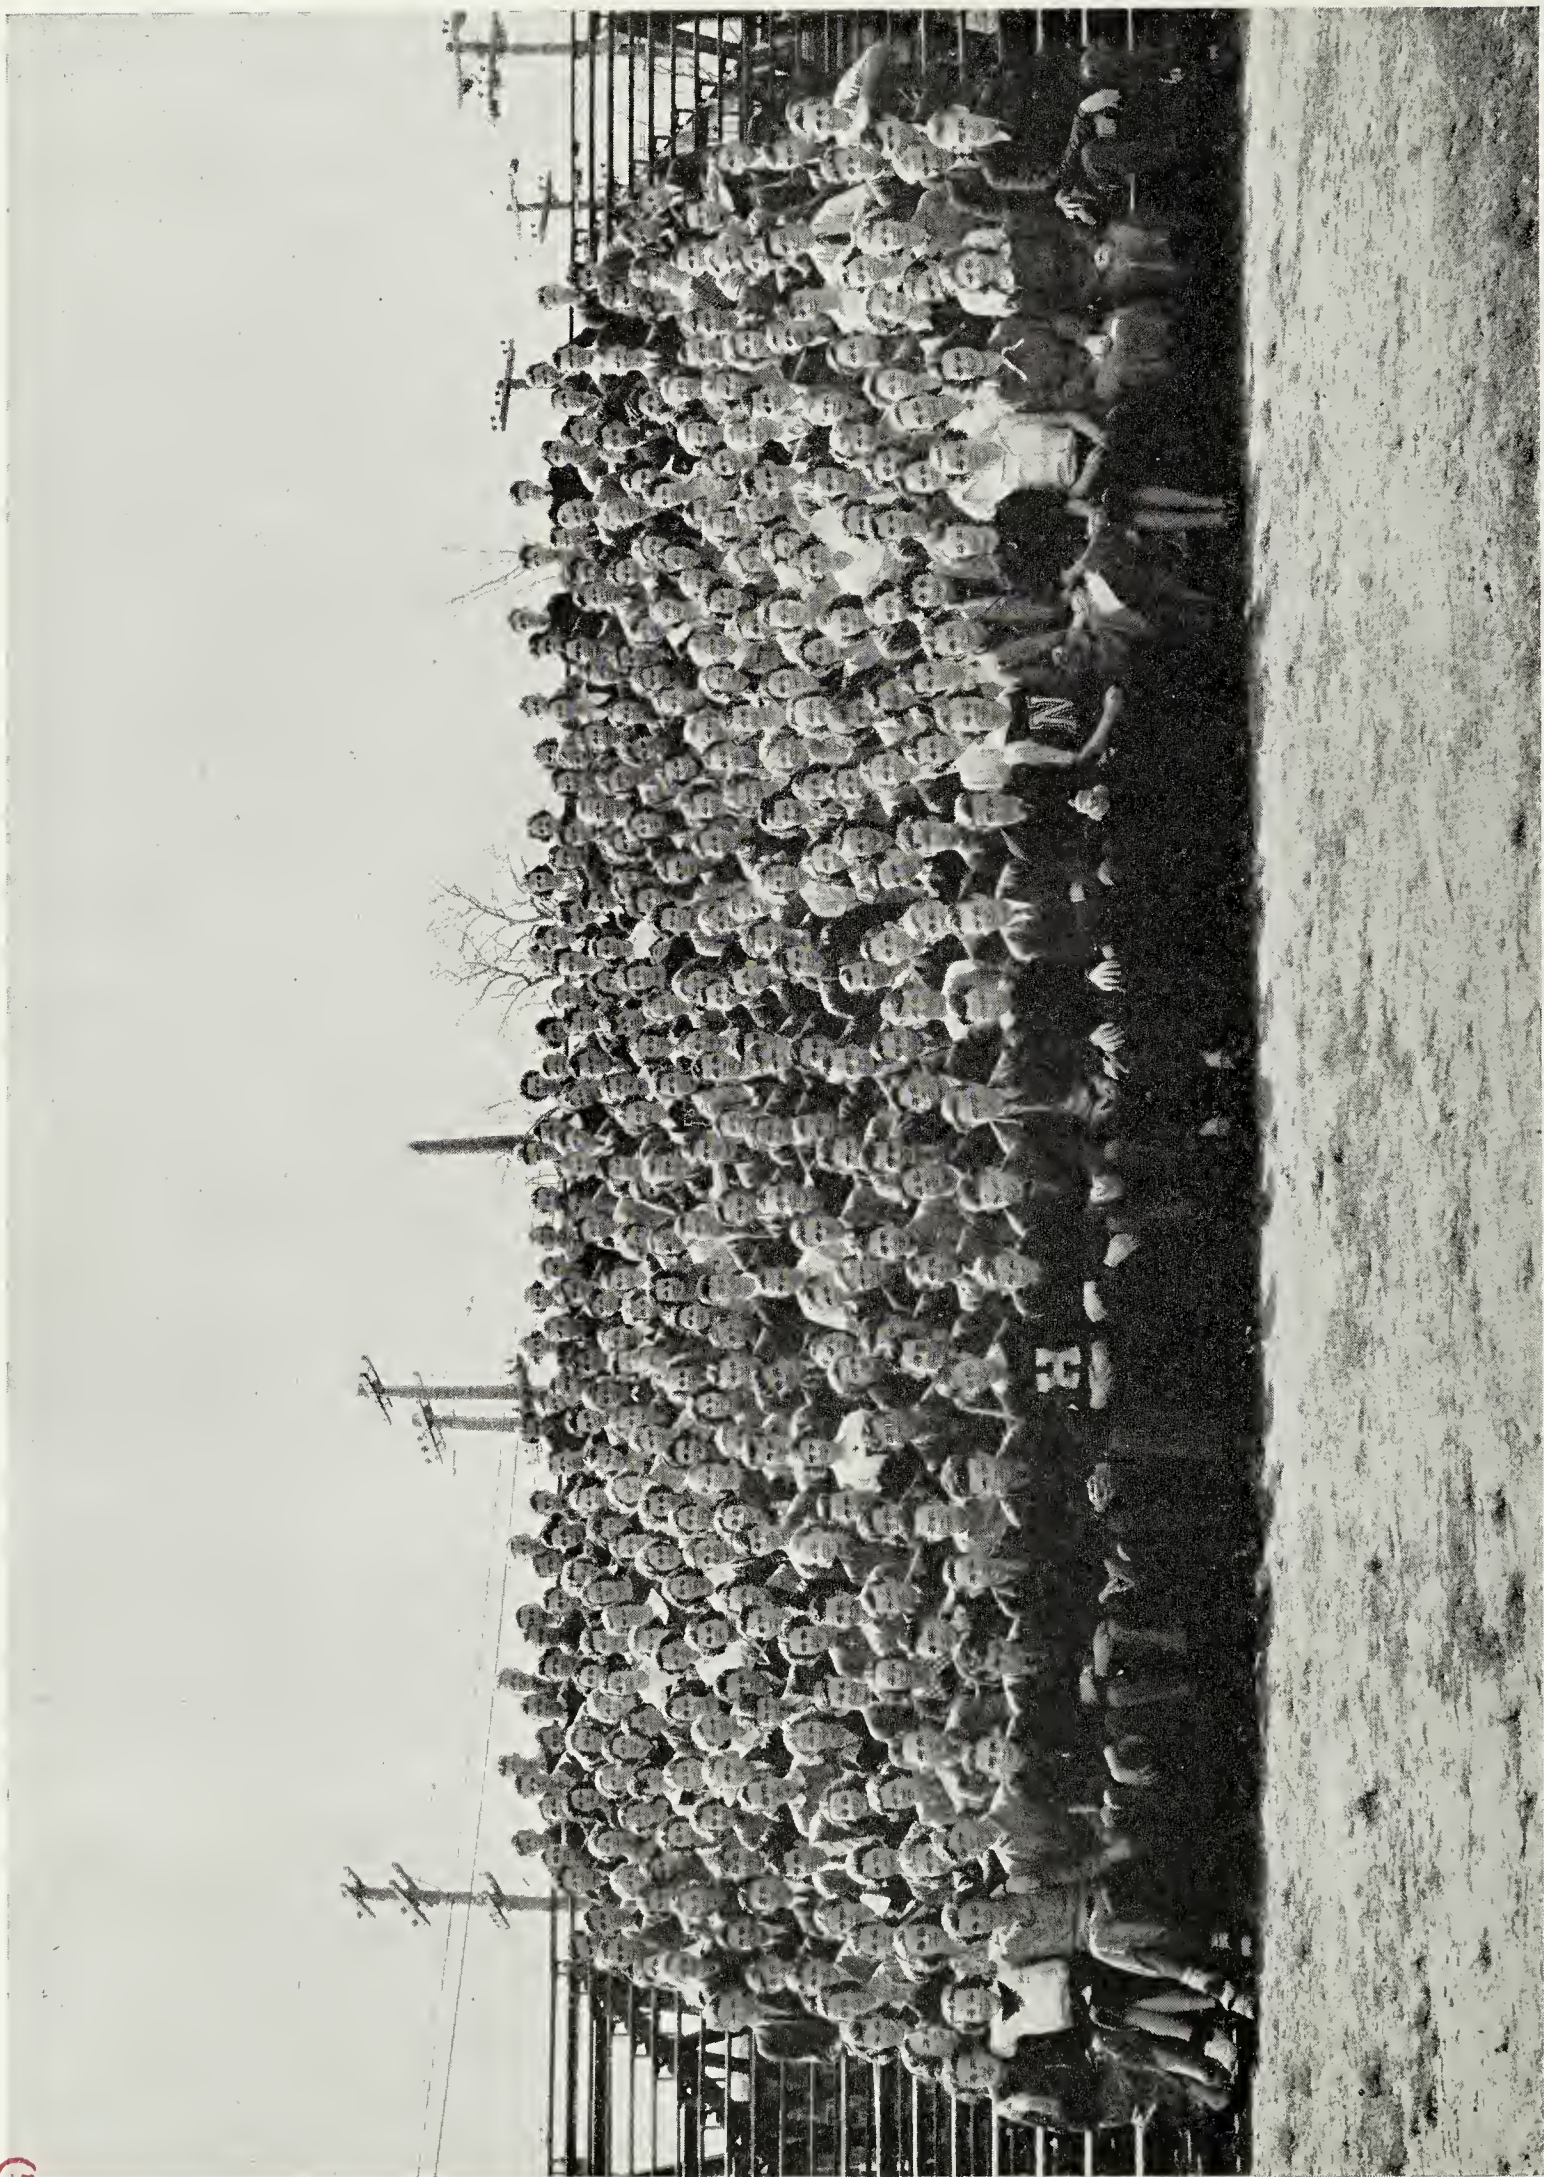

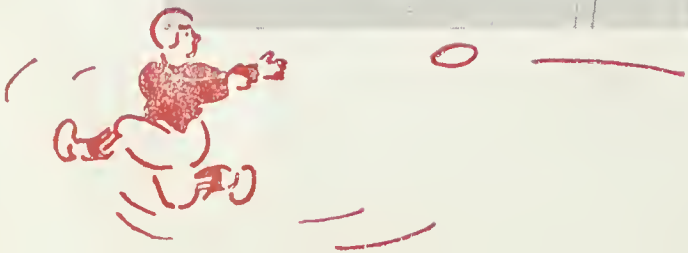

March on, they say, March on,  
Your high school days are gone;  
Now Life will take you by the hand.  
But we with wondering eyes still stand  
Gazing down the paths of Life.  
We wonder—is it joy or strife?

March on, March on, again they say,  
You are not alone along the way,  
Wisdom will be your friend and guide  
And stay forever by your side.  
She will serve with all her might  
To make your life both fair and bright.

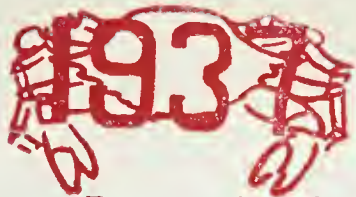

Lead on—we have but then to say.  
We and wisdom go our way,  
And so before each day grows dim  
We'll offer up a prayer to Him,  
The Lord to whom all worlds belong—  
To make our lives a joy and song.

The Garrick Dramatic Club of Hampton High School was founded April 15, 1932 by Mr. R. E. T. Lewis, Miss Kathryn Pace and Mrs. Lawrence B. Wood. This club derived its name from David Garrick, an eminent eighteenth century English actor.

The requirements for membership are interest in dramatics, satisfactory scholarship, and participation in school activities. Through the support of the faculty and student body of Hampton High School, the Garrick Dramatic Club has produced many successful plays. Among its outstanding productions are—"The Whole Town's Talking," "Highness," "As You Like It," "The Valiant," "Pierrott-His Play," "She Stoops to Conquer," "Call of the Banshee," "El Cristo," "Spooks," "Remember The Day," and "Leave It To Psmith."

## 1936 Cheerleaders

You can't crush a Crab  
You can't crush a Crab  
You can fight and fight  
And rip and roar  
And try and try  
And try some more  
But the Red and White  
Will always score  
You can't crush a Crab.

KATIE SHEEHAN, Head Cheerleader  
JACKIE COPELAND

MARIE LAMB

DICK BRAIG  
KENNETH BENNETT  
FREDDIE JORGENSEN  
GEORGE ROGERS

It is with much regret that all the 1936 cheerleaders give up their "Rah Rah" sweaters for caps and gowns in June. We feel that we have been the luckiest crew in school - - - leading cheers for the 1936 State Champions.

## Football Reflections 1936

- |                             |   |
|-----------------------------|---|
| 1. Hampton-Morrison         | The team looked slow and unimpressive.  |
| 2. Hampton-Elizabeth City   | Showed first signs of real power.   |
| 3. Hampton-Maury            | Team showed itself to be a conference threat. This game created an atmosphere of confidence in the Crabber team.              |
| 4. Hampton-Petersburg       | Defeated a good team and a very tricky one.   |
| 5. Hampton-Thomas Jefferson | Jefferson was supposed to have a great team but they were routed by a fighting Crabber team.                                  |
| 6. Hampton-Hopewell         | A let-down—were looking toward Wilson.  |
| 7. Hampton-Wilson           | Best game Crabber machine played all year.  |
| 8. Hampton-South Norfolk    | A breather for Newport News.  |
| 9. Hampton-Newport News     | A close shave, but the Crabbers played below their peak and Newport way above their usual game.                               |
| 10 Hampton-Danville         | Slow starting, but really going to town in the second half. (The team got a turkey dinner for this Thanksgiving day victory.) |

## Football Summary 1936

HAMPTON 12—MORRISON 0

The Hampton Crabbers opened their 1936 season with a 12-0 victory over the Morrison Farmers. The Hampton team rolled up eleven first downs to their opponents one but on the whole, the team showed ragged form. They fumbled the ball often and displayed a poor running attack.

HAMPTON 32—ELIZABETH CITY 0

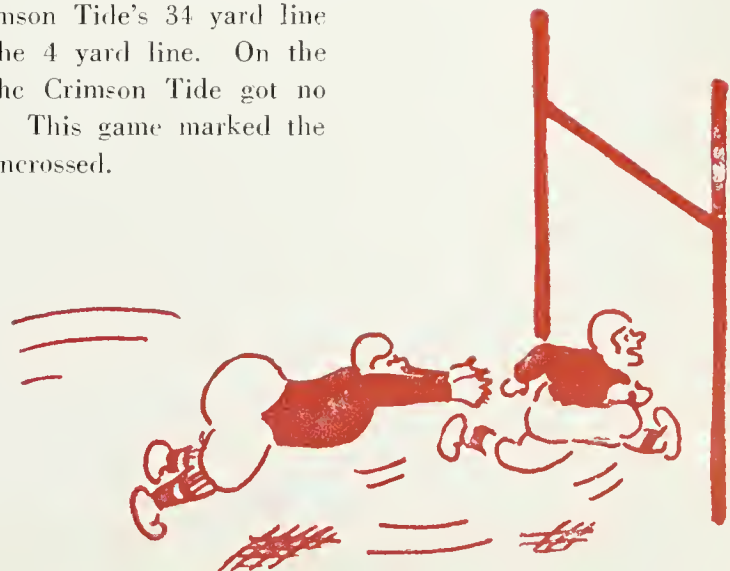

The Red and White buried Elizabeth City under an avalanche of touchdowns in Darling Memorial Park. Coach Dick Esleeck's team showed a great improvement in running, passing, kicking, and handling the ball, over the week before when they beat Morrison only two touchdowns.

HAMPTON 6—MAURY 0

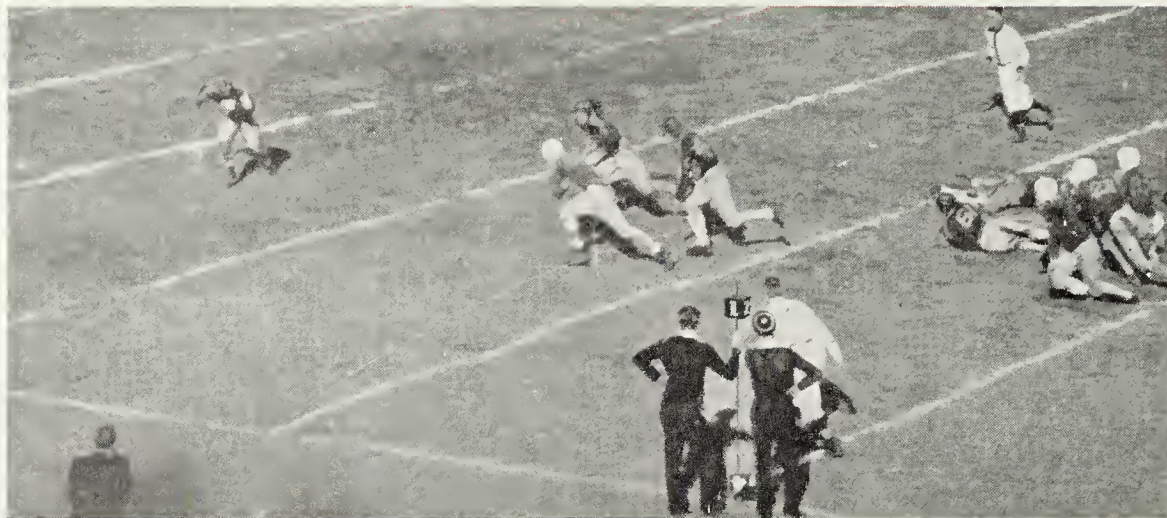

In their first conference game of the year Hampton defeated Maury 6-0 in Bain Field, Norfolk. The Crabbers playing alert and aggressive football recovered a Maury fumble on the Commodore's 18 yard line at the end of the first quarter. Three line plays and a successful pass brought them a first down on the 10 yard line. After one try at the line Catlett dropped back and threw a pass to Captain Davis for a touchdown. The pass for extra point failed. Throughout the remainder of the game the Crabbers bottled up the Maury running and overhead attack to win a hard fought and well earned victory.

HAMPTON 6—PETERSBURG 0

The Crabbers defeated Coach Roland Day's team in a hard fought battle in Darling Park for their second successive conference victory. Following up Replogle's recovery of a Petersburg fumble on the Crimson Tide's 34 yard line with a brilliant aerial attack, the Crabbers drove to the 4 yard line. On the third down Edmonds drove over for a touchdown. The Crimson Tide got no closer to the Hampton goal line than the 26 yard line. This game marked the fourth that the Crabbers had kept their goal line still uncrossed.

# THE KRABBA

## HAMPTON 27—THOMAS JEFFERSON 12

The Crabbers of Hampton High defeated Thomas Jefferson of Richmond 27 to 12 in a thrill packed game. This contest marked the third conference victory and the fifth of the season for Hampton.

The game was not as close as the score may show because one of Jefferson's touchdowns came as the result of a recovered fumble on the Hampton 19 yard line and the other came on a long pass when a number of Hampton substitutes were in the game.

The Jeffersonians were the first team to cross the Hampton goal, as it had remained uncrossed in two conference and two non-conference games before.

## HAMPTON 19—HOPEWELL 13

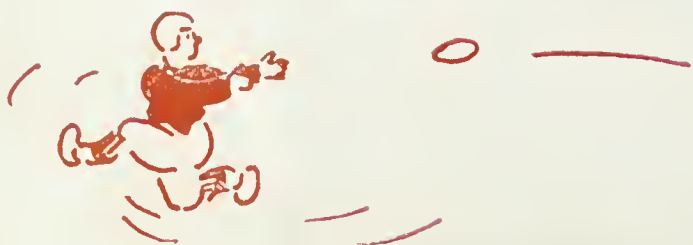

The Hampton team journeyed to Hopewell and added the Wonder City boys as conference victim number four.

Hampton scored twice in the first quarter, but Hopewell opened up an offensive of its own to score two touchdowns. The half ended with the score tied at 13 all. Not until late in the fourth quarter did Hampton break the tie. With about five minutes left to play the Crabbers started a sustained drive from mid-field which ended with Catlett's plunge over the Hopewell goal for the winning touchdown. The pass for extra point failed.

## HAMPTON 14—WILSON 0

The Hampton-Wilson game was played in Darling Memorial Park before four thousand people. This game was played in ideal football weather before a large crowd of "state championship-mad" football rooters.

The Red and White scored twice in the second period, first on a 16 yard pass from Davis to Catlett and second on an 80 yard run of an intercepted pass by Hill. Replogle added both extra points from placement. This was the first victory over Wilson in the three years of Coach Dick Esleeck's regime.

# 1937

## HAMPTON 28—SOUTH NORFOLK 0

The Crabbers defeated the South Norfolk Tigers 28-0. Catlett scored three touchdowns and Hill one. The four extra points were made from placement, three by Replogle and one by Catlett. In this game which was a tune up for Newport News, Coach Esleeck used his second and third strings freely.

## HAMPTON 13—NEWPORT NEWS 6

The Red and White gridsters of Hampton High defeated Newport News in Saunders Stadium before nine thousand people.

The Crabbers pounded down into Typhoon territory early in the first quarter due to the superior kicking of Andrew Todd. With a first down on the 30 yard line the Crabbers tried two running plays but these failed, and on the next play Catlett passed 30 yards to Hill for a touchdown. Replogle kicked the extra point.

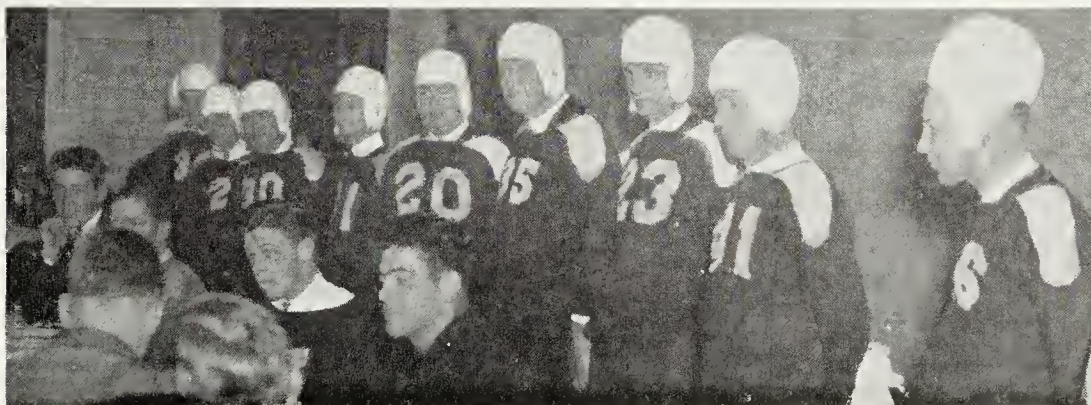

Hampton kicked off and Newport News showing a surprising aerial attack scored on three plays the third being a 25 yard pass to Bartles for a touchdown. The try for extra point failed.

At the beginning of the fourth quarter Hampton scored as the result of a sustained drive from their own 40 yard line. Replogle missed the placement for extra point. This Crabber victory was the first since 1932.

## HAMPTON 13—DANVILLE 0

The Hampton High School squad journeyed to Danville and captured the state title, for the first time since 1912, by beating George Washington High 13-0.

The Hampton boys couldn't get started during the first half, but they came back in the second half with a rush. They scored on a pass from Davis to Catlett after they had marched deep into Danville territory. Replogle kicked the extra point. The second score came on a plunge by Catlett after a pass to Hill had carried to the one foot line. Replogle missed the extra point. The Crabbers completely outplayed Danville and rolled up eleven first downs to Danville's six. They kept their opponents from crossing the mid-field stripe.

## DID YOU KNOW THAT

Nine out of every ten people will think this page is all a mistake—maybe it is. Some one asked Mr. Thorpe if we had any epidemic courses in school—No—but we wish we did have.

John Robins now has the agency for the Packard Motor Car in Hampton.

We are going to employ an official high school barber. We simply can't stand these haircuts that mar the landscape. We hear that Bailey Rollins is protecting himself from the weaker sex by shaving his pate.

Mr. Myers goes to the office every period of every day to get his fan mail.

The love bug has bit Ben Garrett, Droopy, and Winne.

The Krabba Room is furnished in Early American style—VERY simple.

Jackie Moore drove to Williamsburg and somehow it made a great impression on Jean Rigney—or was it the hair brush that made the impression?

If you snoop around in these ads, you will find an autograph page. We got a few for you, but we couldn't do ALL the work.

P. Cuthbertson has received several notes threatening his life if he doesn't date a certain blonde.

Phil Mason got mad because the top of his head was cut off in his senior picture. We don't think it would help any if it were all there.

If you find your name printed between these ads, call at The Krabba Office and you will be given our best wishes.

J. Edgar Hoover is seeking the identity of the Coo-Coo.

The fan mail that these football boys get is overwhelming. "Every mistake is a kiss, is it?" We wish the English faculty would think so.

Nellie Gallett was put up for the May Court in 205, but Tiggle Parker got all the votes, so he gave them to J. Creasy just so that Nellie wouldn't feel too badly about it.
